
Position: Electrical Engineer

Location/Department: Dulles, VA / Engineering

Qualifications or Skill Required:

- Excellent written and verbal communication skills
- Ability to perform in a fast-paced, multi-task environment
- Excellent interpersonal skills
- BS in Electrical Engineering and 3 or more years experience
- Engineering Configuration Management
- Hardware and software experience
- Intel based manufacturing experience
- Sun hardware and Microsoft Operating systems

Responsibilities: Electrical Engineer with electrical/electronics experience in a manufacturing environment to handle a variety of projects. This individual will have "on-the-floor" presence and will report directly to the Engineering Director and will work closely with the Maintenance, Production, and Quality Control Departments. Major effort will be to support the Manufacturing & Quality Departments in the design of new, or modification of present equipment to increase productivity, improve and quality. Additionally, this engineer will be responsible for capital projects from conception & justification, through installation & final acceptance.

Working at TAG

Since 1984, Technology Advancement Group, Inc. has been an innovator in driving the IT industry to develop new products and is a leader in advanced hardware solutions for the rugged tactical IT arena. Our objective is to achieve the highest possible levels of service, delivery, and customer satisfaction consistent with our clients' requirements. As a privately held company and not a subsidiary or division of any other organization, TAG is able to proactively meet our clients' needs while simultaneously building our employees' careers.

Culture

Our positions offer a unique opportunity to join a growing, dynamic company that is partnering with government to help ensure national security. We encourage innovation, creative thinking, and team player attitude. Come work in a professional environment that promotes corporate and personal growth yet fosters balance. Through your skills, creativity, and commitment to excellence, you can contribute to our country's national defense and have a great time doing it!
